# General Drug Prior Authorization Request

---

MassHealth reviews requests for prior authorization (PA) on the basis of medical necessity only. If MassHealth approves the request, payment is still subject to all general conditions of MassHealth, including current member eligibility, other insurance, and program restrictions. MassHealth will notify the requesting provider and member of its decision. Keep a copy of this form for your records. If faxing this form, please use black ink.

Please note: the requested drug may have a specific form that contains information pertinent to this PA request. Please see more drug-specific PA forms within the MassHealth Drug List at [www.mass.gov/druglist](http://www.mass.gov/druglist).

In addition, the **Pediatric Behavioral Health Medication Initiative** requires PA for pediatric members (generally members < 18 years of age) for certain behavioral health medication classes and/or specific medication combinations (i.e., polypharmacy) that have limited evidence for safety and efficacy in the pediatric population.

Additional information about medications and the **Pediatric Behavioral Health Medication Initiative**, including PA requirements, a complete list of all behavioral health medications, and preferred products, can be found within the MassHealth Drug List at [www.mass.gov/druglist](http://www.mass.gov/druglist). The related PA form is available at: **Pediatric Behavioral Health Medication Initiative PA Request Form**.
