Oral/Injectable Antifungal Agents Prior Authorization Request

MassHealth reviews requests for prior authorization (PA) on the basis of medical necessity only. If MassHealth approves the request, payment is still subject to all general conditions of MassHealth, including current member eligibility, other insurance, and program restrictions. MassHealth will notify the requesting provider and member of its decision. Keep a copy of this form for your records. If faxing this form, please use black ink.

Additional information about these agents, including PA requirements and preferred products, can be found within the MassHealth Drug List at www.mass.gov/druglist.

Medication information

Medication requested

- | | | |
|--|--|--|
| <input type="checkbox"/> Brexafemme (ibrexafungerp) | <input type="checkbox"/> Tolsura (itraconazole 65 mg capsule) | <input type="checkbox"/> Other** _____ |
| <input type="checkbox"/> Cresemba (isavuconazonium)* | <input type="checkbox"/> voriconazole suspension, 50 mg tablet | |
| <input type="checkbox"/> posaconazole injection, suspension* | | |

*For posaconazole IV and Cresemba IV, Section VII is also required.

**If request is for a non-preferred brand name or generic product, please attach supporting documentation (e.g., copies of medical records and/or office notes regarding adverse reaction or inadequate response to the preferred product).

Dose and frequency of medication requested _____

Indication (check all that apply)

***voriconazole requests only ** Cresemba and posaconazole**

- | | | |
|--|---|--|
| <input type="checkbox"/> <i>Aspergillus</i> endophthalmitis* | <input type="checkbox"/> <i>Scedosporium</i> infection* | <input type="checkbox"/> <i>Fusarium</i> infection* |
| <input type="checkbox"/> <i>Aspergillus</i> keratitis* | <input type="checkbox"/> <i>Aspergillus</i> infection | <input type="checkbox"/> <i>Zygomycosis</i> (mucormycosis)** |

Please note: For posaconazole or voriconazole for the above indications, Sections I through VIII are not required.

For all indications checked below, please complete sections in parentheses

- | | | |
|--|---|--|
| <input type="checkbox"/> Blastomycosis (Section V) | <input type="checkbox"/> Histoplasmosis (Section V) | <input type="checkbox"/> Vulvovaginal candidiasis (Section IX) |
| <input type="checkbox"/> Candidemia (Section II) | <input type="checkbox"/> Onychomycosis (Section V) | <input type="checkbox"/> Other _____ |
| <input type="checkbox"/> Disseminated candidiasis (Section II) | <input type="checkbox"/> Oropharyngeal candidiasis (Section IV) | (Please attach a letter regarding medical necessity.) |
| <input type="checkbox"/> Esophageal candidiasis (Section III) | <input type="checkbox"/> Prevention of <i>Aspergillus</i> and <i>Candida</i> infections (Section I) | |

Section I. Please complete for posaconazole and voriconazole for prevention of Aspergillus and Candida infections.

1. For posaconazole requests, is the member's age within the FDA-approved range for use (posaconazole suspension ≥ 13 years; posaconazole IV ≥ 18 years)?
 Yes. No. Please provide clinical rationale for use in non-FDA approved age.

2. For both posaconazole and voriconazole requests, does the member have one of the following?
 Hematologic malignancy with neutropenia Graft-versus-host disease
 Hematopoietic stem cell transplantation
 No. Please describe why the member requires antifungal prophylaxis.

3. For posaconazole IV, please provide clinical rationale for use of IV formulation instead of oral formulations.

Section II. Please complete for voriconazole for candidemia and disseminated candidiasis.

Has the member had a trial of oral fluconazole?

- Yes. Dates/durations of use _____
Did the member experience any of the following? Adverse reaction Inadequate response
Briefly describe details of adverse reaction or inadequate response.

- No. Please describe why the member is not a candidate for oral fluconazole.

Section III. Please complete for posaconazole suspension and voriconazole for esophageal candidiasis.

1. For posaconazole requests, is the member 13 years of age or older?
 Yes. No. Please provide clinical rationale for use in non-FDA-approved age.

 2. For posaconazole requests, has the member had a trial of voriconazole?
 Yes. Dates/duration of use _____
Did the member experience any of the following? Adverse reaction Inadequate response
Briefly describe details of adverse reaction or inadequate response.

 3. For both posaconazole and voriconazole requests, has the member had a trial of fluconazole?
 Yes. Dates/duration of use _____
Did the member experience any of the following? Adverse reaction Inadequate response
Briefly describe details of adverse reaction or inadequate response.

 4. For both posaconazole and voriconazole requests, has the member had a trial of itraconazole?
 Yes. Dates/duration of use _____
Did the member experience any of the following? Adverse reaction Inadequate response
Briefly describe details of adverse reaction or inadequate response.

- No. Please describe why the member is not a candidate for itraconazole.

Section IV. Please complete for posaconazole suspension and voriconazole for oropharyngeal candidiasis.

1. For posaconazole requests, is the member 13 years of age or older?
 Yes. No. Please provide clinical rationale for use in non-FDA approved age.

2. For voriconazole requests, has the member had a trial of posaconazole?
 Yes. Dates/duration of use _____
Did the member experience any of the following? Adverse reaction Inadequate response
Briefly describe details of adverse reaction or inadequate response.

 No. Please describe why the member is not a candidate for posaconazole.

3. For both posaconazole and voriconazole requests, has the member had a trial of oral fluconazole?
 Yes. Dates/duration of use _____
Did the member experience any of the following? Adverse reaction Inadequate response
Briefly describe details of adverse reaction or inadequate response.

 No. Please describe why the member is not a candidate for oral fluconazole.

4. For both posaconazole and voriconazole requests, has the member had a trial of itraconazole?
 Yes. Dates/duration of use _____
Did the member experience any of the following? Adverse reaction Inadequate response
Briefly describe details of adverse reaction or inadequate response.

 No. Please describe why the member is not a candidate for itraconazole.

Section V. Please complete for Tolsura.

Please provide medical necessity for the requested formulation instead of itraconazole 100 mg capsules.

Section VI. Please complete for Cresemba for the treatment of Aspergillus infection.

1. Has the member had a trial of voriconazole?
 Yes. Dates/duration of use _____
Did the member experience any of the following? Adverse reaction Inadequate response
Briefly describe details of adverse reaction or inadequate response.

 No. Please describe why the member is not a candidate for voriconazole.

2. Has the member had a trial of posaconazole?
 Yes. Dates/duration of use _____
Did the member experience any of the following? Adverse reaction Inadequate response
Briefly describe details of adverse reaction or inadequate response.

 No. Please describe why the member is not a candidate for posaconazole.

Section VII. Please complete for Cresemba IV and posaconazole IV.

Please provide medical necessity for use of IV formulation instead of oral formulations.

Section VIII. Please complete for Cresemba for Zygomycosis (mucormycosis).

1. Has the member had a trial of posaconazole?

Yes. Dates/duration of use _____

Did the member experience any of the following? Adverse reaction Inadequate response

Briefly describe details of adverse reaction or inadequate response.

No. Please describe why the member is not a candidate for posaconazole.

Section IX. Please complete for Brexafemme for vulvovaginal candidiasis.

1. Is the member post-menarchal? Yes. No.

2. Has the member had a trial of oral fluconazole?

Yes. Dates/duration of use _____

Did the member experience any of the following? Adverse reaction Inadequate response

Briefly describe details of adverse reaction or inadequate response.

No. Please describe why the member is not a candidate for oral fluconazole.

Section X. Please complete for all requests for non-preferred drug products if one or more preferred drug products have been designated for this class of drugs.

If one or more preferred drug products have been designated for this class of drugs, and if you are requesting PA for a non-preferred drug product, please provide medical necessity for prescribing the non-preferred drug product rather than the preferred drug product.
