Anticonvulsant Prior Authorization Request

MassHealth reviews requests for prior authorization (PA) on the basis of medical necessity only. If MassHealth approves the request, payment is still subject to all general conditions of MassHealth, including current member eligibility, other insurance, and program restrictions. MassHealth will notify the requesting provider and member of its decision. Keep a copy of this form for your records. If faxing this form, please use black ink.

Additional information about anticonvulsants and the **Pediatric Behavioral Health Medication Initiative**, including PA requirements, a complete list of all behavioral health medications, and preferred products, can be found within the MassHealth Drug List at www.mass.gov/druglist. The related PA form is available at: **Pediatric Behavioral Health Medication Initiative PA Request Form**.

Please list all other medications currently prescribed for the member for this indication.

Please indicate prescriber specialty below.

- Neurology Psychiatry Other _____

If prescriber is not a specialist, please attach consult notes from specialist.

For mid-level practitioners (e.g., nurse practitioners, physician assistants), please provide the name and specialty of the collaborating physician, if applicable.

Is this member a referral candidate for care coordination? Yes No

If yes, MassHealth will offer care coordination services to this member. Please describe which additional behavioral health services would be beneficial.

Section I. Please complete for all requests as needed.

Please provide the following information regarding previous trials.*

- | | | |
|---------------|--------------------|---------------|
| 1. Drug _____ | Dates of Use _____ | Outcome _____ |
| 2. Drug _____ | Dates of Use _____ | Outcome _____ |
| 3. Drug _____ | Dates of Use _____ | Outcome _____ |
| 4. Drug _____ | Dates of Use _____ | Outcome _____ |

*Attach a letter with additional information regarding medication trials as applicable.

Section II. Please also complete for requests for Elepsia XR, Eprontia, Lamictal XR starter kit, lamotrigine extended-release, lamotrigine tablet starter kit, Oxtellar XR, Spritam, and Trokendi XR.

For Elepsia XR, Eprontia, Lamictal XR starter kit, lamotrigine extended-release, lamotrigine tablet starter kit and diagnoses other than epilepsy or seizure disorder, only question 1 is required.

1. Please provide medical necessity for the use of the requested formulation instead of the respective formulation(s) that is available without prior authorization.

2. Has the member been stabilized on the requested agent (any form)? Yes No

Section III. Please complete for requests for gabapentin > 3600 mg/day and pregabalin > 600 mg/day.

Please provide clinical rationale for exceeding the maximum daily dose limit.

Section IV. Please complete for requests for Diacomit.

1. Has the member experienced an inadequate response or adverse reaction to other anticonvulsants?
 Yes. Please complete Section I above.
 No. Explain why other anticonvulsants have not been tried.

2. Will the requested agent be used in combination with clobazam? Yes No
-

Section V. For requests for Epidiolex, please attach medical records supporting the diagnosis.

Section VI. Please complete for requests for lamotrigine ODT.

1. Does the member have a medical condition in which they are not able to swallow pills?
 Yes. Please describe. _____ No
2. Has the member experienced an inadequate response or adverse reaction to lamotrigine dispersible tablets?
 Yes. Please describe trial below.
Dose and frequency _____ Dates of Use _____ Outcome _____
 No. Explain why lamotrigine dispersible tablets have not been tried.
-

Section VII. Please complete for requests for diazepam rectal gel (> 5 kits/month), Nayzilam (> 10 units/month), and Valtoco (> 10 units/month).

1. Is the diagnosis for as needed (intermittent) treatment of acute seizure clusters that are distinct from a member's usual seizure pattern? Yes No
2. Please describe the medical necessity for use over quantity limits.
- _____
- _____
-

Section VIII. Concomitant gabapentin and pregabalin. Complete this section for all members, if request will result in prescription of concomitant gabapentin and pregabalin.

Please document complete treatment plan.

1. gabapentin dose/frequency _____ Indication _____
2. pregabalin dose/frequency _____ Indication _____
3. Other(s) _____

Please document clinical rationale for concomitant use of gabapentin and pregabalin for this member.

Please document monotherapy trials (include dose/frequency, dates/duration of use, and outcome) with gabapentin and pregabalin.*

Has the member experienced an inadequate response or adverse reaction to at least two other alternative agents for the requested indication(s)?

- Yes. Please complete Section I above.
 No. Explain why other alternative agents have not been tried.
- _____
- _____

**Attach a letter with additional information regarding medication trials as applicable.*

MassHealth Pediatric Behavioral Health Medication Initiative

Please fill out all the sections below, as applicable, for pediatric members only. You may also use the Pediatric Behavioral Health Medication Initiative PA Request Form if the member is prescribed other behavioral health medications.

Section I. Please complete for all requests for medications subject to the Pediatric Behavioral Health Medication Initiative for members < 18 years of age.

Is the member currently in an acute care setting?

Yes (Inpatient) Yes (Community Based Acute Treatment)

Yes (Partial Hospitalization) No

For members who are in an acute care setting, please document the outpatient prescriber after discharge.

Prescriber name _____ Contact information _____

Has the member been hospitalized for a psychiatric condition within the past three months?

Yes. Please document dates of hospitalization within the past three months. _____

No

On the current regimen, is the member considered to be a severe risk of harm to self or others?

Yes. Please provide details. _____ No

For regimens including an antipsychotic, are appropriate safety screenings and monitoring being conducted (e.g., weight, metabolic, movement disorder, cardiovascular, and prolactin-related effects)?

Yes No. Please explain. _____

Has informed consent from a parent or legal guardian been obtained? * Yes No

Please indicate prescriber specialty below.

Psychiatry Neurology Other _____

Specialist consult details (if the prescriber submitting the request is not a specialist)

Name(s) of the specialist(s) _____ Date(s) of last visit or consult _____

Contact information _____

For mid-level practitioners (e.g., nurse practitioners, physician assistants), please provide the name and specialty of the collaborating physician, if applicable.

Please document member custody status.

Parent/Guardian Department of Children and Families (DCF)

Please document member placement status.

Home with Parent/Guardian Foster Care Residential Treatment Facility

Uncertain Other _____

Please document agency involvement.

DCF Department of Mental Health (DMH) Department of Developmental Services (DDS)

Department of Youth Services (DYS)

Is the member/family currently receiving appropriate psychotherapeutic and/or community based services for the targeted clinical mental health related concerns (e.g., Applied Behavioral Analysis, Children's Behavioral Health Initiative, school interventions, specialized placement)?

Yes. Please document details of interventions below, if applicable. No

Psychiatric care provided is coordinated with other psychotherapeutic and community based services. Yes No

* Sample informed consent form available on the MassHealth PBHMI Information webpage. For additional information go to:
<https://www.mass.gov/info-details/pediatric-behavioral-health-medication-initiative-pbhmi-information>

Section II. Mood Stabilizer Polypharmacy. Complete this section for all members < 18 years of age, if request will result in prescription of three or more mood stabilizers for ≥ 60 days within a 90-day period (agents considered to be used only for seizure diagnoses are not included).

Please document complete treatment plan (include all mood stabilizing agents).

1. Mood stabilizer name/dose/frequency _____ Indication _____
2. Mood stabilizer name/dose/frequency _____ Indication _____
3. Mood stabilizer name/dose/frequency _____ Indication _____
4. Mood stabilizer name/dose/frequency _____ Indication _____
5. Other(s) _____

Please document if monotherapy trials (include drug name, dates/duration of use, and outcome) with mood stabilizers were tried before prescribing polypharmacy with three or more mood stabilizers in this member.*

Please document the treatment plans for medication regimen simplification (e.g., dose consolidation, frequency reduction) or medical necessity for continuation of a complex medication regimen.

**Attach a letter with additional information regarding medication trials as applicable.*

Section III. Mood Stabilizer Request for Members < six years of age (agents considered to be used only for seizure diagnoses are not included).

Please document complete treatment plan (include all mood stabilizer agents with dose/frequency/duration and indication(s) for the requested medication(s)).

Please document any previous medication trial(s). Include the drug name, dates/duration of use, and outcome.*

Please document clinical rationale for use of a mood stabilizer for this member < six years of age.

**Attach a letter with additional information regarding medication trials as applicable.*

Section IV. Multiple Behavioral Health Medications. Complete this section for all members < 18 years of age if request will result in prescriptions of four or more behavioral health medications within a 45-day period. For a complete list of all behavioral health medications, please refer to the MassHealth Pediatric Behavioral Health Medication Initiative (agents considered to be used only for seizure diagnoses are not included).

Please document complete treatment plan (include all behavioral health agents and indication(s) for each medication(s)).

1. Medication name/dose/frequency _____ Indication _____
2. Medication name/dose/frequency _____ Indication _____
3. Medication name/dose/frequency _____ Indication _____
4. Medication name/dose/frequency _____ Indication _____
5. Medication name/dose/frequency _____ Indication _____
6. Medication name/dose/frequency _____ Indication _____
7. Other(s) _____

Please document monotherapy trials (include drug name, dates/duration of use, and outcome) tried before prescribing a polypharmacy regimen for this member.*

Please document the treatment plans for medication regimen simplification (e.g., dose consolidation, frequency reduction) or medical necessity for continuation of a complex medication regimen

** Attach a letter with additional information regarding medication trials as applicable.*
